

CLAIM FORM INSTRUCTIONS

GM Fuel Pump Settlement

Use this form to claim a cash payment if you paid out of pocket for repairs to the CP4 fuel pump or related components before the date of Final Approval OR you no longer own your truck and you did not pay out of pocket for a fuel pump repair. Eligible repairs include repair or replacement of the CP4 high-pressure fuel pump or the related components listed in GM Technical Service Bulletin 16-NA-102, available at www.GMFuelPumpLitigation.com. **The deadline to submit a claim for a cash payment is six months after Final Approval.** The Court has not yet issued Final Approval. At the earliest, the Court might issue Final Approval at the Final Approval Hearing on January 21, 2025. Check www.GMFuelPumpLitigation.com for updates.

You must be a Settlement Class Member to qualify for settlement benefits. You are a Settlement Class Member if you:

- Purchased a model year 2011-2016 Chevrolet Silverado or GMC Sierra diesel truck equipped with a 6.6L Duramax engine and Bosch “CP4” high-pressure diesel fuel pump (a “Class Vehicle”);
- Purchased the Class Vehicle from a GM-authorized dealer in California, Florida, Illinois, Iowa, New York, Pennsylvania, or Texas; and
- Purchased the Class Vehicle from March 1, 2010 through September 13, 2024.

To check whether you have a Class Vehicle, you may enter your Vehicle Identification Number (VIN) using the VIN lookup tool at www.GMFuelPumpLitigation.com.

If you owned a Class Vehicle on the date of Final Approval, but you did not pay out of pocket for a CP4 repair, you are not eligible for this cash payment. **However, you may be eligible for a cash-back payment for future repairs** that occur on or after the date of Final Approval. For additional information on the Reimbursement Program, visit the Settlement Website at www.GMFuelPumpLitigation.com.

All claims require supporting documentation, including proof of purchase and proof of repair. If you no longer own the truck and did not pay out of pocket for a CP4 repair before the date of Final Approval, you do *not* need to submit Proof of Repair, but you are required to submit Proof of Sale. Details are provided below.

- 1. Proof of Purchase:** You must submit proof that you purchased your truck from a GM-authorized dealer in California, Florida, Illinois, Iowa, New York, Pennsylvania, or Texas from March 1, 2010 through September 13, 2024, such as a purchase agreement or financing documentation showing your name as well as the name and address of the GM-authorized dealer where you purchased your truck.
- 2. Former Owner Proof of Sale:** If you sold the truck before the date of Final Approval and you did not pay out of pocket for a CP4 repair while you owned the truck, you must submit proof showing the date you sold your truck. It should include the date, your name, the Vehicle Identification Number (VIN), and the buyer's name.
- 3. Proof of Repair:** If you paid out of pocket for a CP4 repair before the date of Final Approval, you must submit proof of the repair that includes your name, the Vehicle Identification Number (VIN), and clearly identifies the covered components that were repaired or replaced. This could take the form of a repair order, invoice, or other documents from the shop that completed the repair. *If you no longer have copies of your CP4 repair records*, you must include both of the following: (a) proof of payment for the CP4 repair, such as a copy of a banking or credit card statement that clearly identifies your CP4 repair costs; and (b) a completed Declaration Form, included with this Claim Form.
